Services

Tricon Wear Solutions provides a complete line of wear resistant products that will keep your equipment in production. Our engineers, designers, machinists, and fabricators have generations of industry experience, and apply that expertise to solve your toughest wear issues.

Materials

We offer the materials and applications expertise to keep your plant and heavy equipment running. Tri-Braze and Tri-Braze Dura-Plus provide the best combination of wear and impact resistance. Duracorr, has the corrosion and oxidation advantages of a stainless steel while also being abrasion resistant. Super-C provides the highest sliding wear resistance to maximize the service life of your equipment.
